# HELLO!

**There are 6 secret keys** that every young lady in your church or school needs to possess in order to unlock a life of impactful leadership and success.

I'm Amie Regester with Greater Than Rubies and **I work to empower our girls live their best possible lives for *Christ*** (not for self, as many leadership and success programs emphasize.) I do that through live and online training events.

I'd love to stop at your church or school; get to know your girls and teach them about how understanding the six keys of leadership; Success, Essence, Purpose, Hustle, Love and Serve, will prepare them for a life of adventure beyond their biggest and most delightful dreams.

**The Secret Keys Tour is designed as a weekend workshop.** Sessions are interactive, discussion and activity rich, and guaranteed to captivate!

## **Here are some of the ways this program may support your annual goals:**

- †As a “young women’s track” to serve younger ladies to your womens’ conference
- †As a pre-evangelism activity to make your church visible to teens and parents of teen girls
- †As a way to bring several churches or denominations together in your community to rally around your young women
- †As part of your summer camp, camp meeting or youth rally seminar options.
- †As a leadership program for your school

I'd love to visit your church, school or community group in 2015. Visit the link below or email [amie@greaterthanrubies.org](mailto:amie@greaterthanrubies.org) to start planning your event.

Sincerely,

Amie Regester

President, Greater Than Rubies

Book before March 31st to get my best rate & FREE poster and flyer downloads!
